## *Class History*

Here we are at the end of the first lap of our life's journey. Having mastered the problems of high school, we now feel adequately prepared to face the real tests of life.

Let's reminisce for a while. We go back four short--too short--years. It's the fall of 1948. What do we see? Ah yes, one hundred and thirty uncertain freshmen going into China Grove High School. Mr. Carson, our principal, and our class sponsors helped us rid ourselves of that uncertain feeling in a hurry. I had the privilege of being our first class president.

The next fall, 1949, we came back as sophmores and found our number had dropped to 102. Jerry Mauldin was elected class president. Mr. Carson again advised us very wisely. We were relatively inactive these first two years in high school but the next year, when we were juniors, things really started popping.

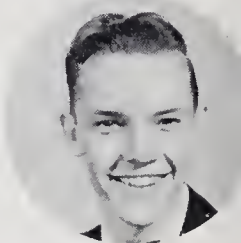

Our ranks had again dropped very sharply to 95. We sponsored a magazine sale and the Hallowe'en Carnival in order to finance the Junior-Senior Banquet at which we entertained the Seniors in April. Our sponsors, Mrs. Bostian and Mrs. Smith, and principal, Mr. Carson, gave us very valuable advice. Again, I had the pleasure of being class president. This was a very successful year.

In the fall of 1951 we entered China Grove High School to start our last year in high school. Our class had dwindled to 72. One of our boys, Charles Mecimore, decided to work for Uncle Sam, but in a few weeks, Robert McCluney came from Gastonia and joined our ranks to keep the number at 72.

With priceless assistance from our sponsors, Mrs. Corriher and Mrs. Odell, and Mr. Carson, our principal, our Senior year was very successful also. Homer Drye, as president, led the activities this last year. Under the direction of Mrs. Smith we presented the Senior Play in the spring. A large group of the class went to Washington, D.C. for a few days in May.

Then came Senior Privileges, Baccalaureate Services and Graduation. Now, out into the world to seek our fortunes.

James Franklin Morton,  
Class Historian

## *Class Prophecy*

One day not long ago I went into one of the drugstores down town to buy a magazine. I was looking over the stand trying to decide what to get. There were the comic books: WONDER WOMAN, SUPERMAN, DONALD DUCK, and many others. Then I looked at the magazines for the home: HOUSE BEAUTIFUL, BETTER HOMES AND GARDENS, GOOD HOUSEKEEPING and many more. Then my eye was caught on the rack where the books with fantastic stories were kept and this one nearly knocked me for a loop. It was: HOROSCOPE OF 1952 SENIORS OF CHINA GROVE HIGH SCHOOL. I had never seen a book like this so I reached for it instantly. Since I was a member of this classmates. Some of it seemed as if it would come true and other parts seemed too funny for words. The Horoscopes were divided into twelve sections according to the birthdays and each section had a funny name. I'll try to describe it to you.

Homer Drye is destined to carry out his leadership ability as Governor of the "Tarheel" State. His birthday is January 21st. Calvin Walker's birthday is January 16th. He is going to be an Elephant trainer for a Circus.

The 11th section is AQUARIUS. The dates range from January 21st to February 19th. Barbara Overcash and Betty Jean Benfield, whose birthday's are January 23rd and the 28th respectfully are going to own and operate a candy store in Salisbury. They are going to specialize in kisses. Candy, that is. January 30th is Dwight Deal's birthday. "Rupert" is destined to be a mail carrier with a route of 300 miles. Boyd Hodgson's birthday is the 18th of February. She is going to be an Airline Stewardess for Eastern Lines. Robert McCluney is supposed to take the lead in the Broadway hit GIRLS PREFER THEM TALL, DARK, AND HANDSOME. His birthday is February 19th.

The 12th and final section is called PISCES. These dates are February 20th through March 21. Tom Baker's birthday is on the 19th of March. Tom is going to be a horse trainer in Texas. Juanita Heilig and James Safrit celebrate their birthdays in the 3rd of March. They are going to own rival resort hotels in the Smokey Mountains and will have a very fine reputation for good food and comfort. Jeepers, I seemed to skip over WESTMINSTER CHOIR. That is just too funny to be true.

Well, I've never seen a book like that and I guess I never will again. Some of the Horoscopes are too silly to ever be true but who knows what the future holds for us.

Class Prophetess
